**IMPORTANT:** Some medications or devices may not be available due to National Supply Issues. HealthFirst will ship kit components on back order status as soon as they become available.

All STAT KITS® come with an auto-replenishment service and OnTraQ, an online tracking, compliance and account management tool. Medications and equipment are tracked and automatically replaced just prior to expiration. Shipments and invoices will be sent directly from HealthFirst (HF Acquisition Co., LLC). If you are enrolled in the STAT KIT® EMM Program, you will receive replenishments at no additional charge.
